

SURVEY REPORT
Nr 852/2020/0004B
Module D of EU Regulation (EU) 2016/425

On demand of

Cambridge Environmental Solutions Ltd
1001-2 Wilson House 19 Wyndham Street
Central Hong-Kong
Hong Kong

we have carried out, on **28/09/2020** a conformity to Type based on Quality Assurance of the Production Process (Module D) of the personal protective equipment as stated in attachment.

These items form the subject of EU-type examination certificates issued by **Centexbel - NB 0493**

We have verified the quality system during the audit in respect to its requirements states in the European Regulation (EU) 2016/425.

Conclusion:

The personal protective equipment described in the above mentioned EU type examination certificate complies with the technical data of the technical file and with the essential requirements of Regulation (EU) 2016/425 Module D. Hence, **the CE-marking may be maintained.**

This survey report is valid until the 31 December 2021 and contains 1 attachment(s).

07.10, 2020

Inge De Witte
Certification Manager

This certificate has been drawn up in accordance with the general certification regulation of Centexbel which is available via <http://www.Centexbel.be>
